

Webex user guide for laptop and PC

When accessing using a laptop browser, after clicking on the link, you will see the orange color prompt at the bottom of your screen, pls click on “Run”

You should see the screen below, pls click on “Join Meeting”

You will be prompted to identify yourself , pls do key in your name and company email address

The image shows a mobile device screen with a Webex Meetings login dialog. The dialog is a white rectangle with rounded corners. At the top, it says "Webex Meetings". Below that is a text input field containing "XXXXX". Underneath is another text input field containing "xxxxx@gmail.com". At the bottom of the dialog are two buttons: "CANCEL" and "OK". Below the dialog, there is a dark, rounded rectangular button with the text "Connecting..." in a lighter color.

Webex Meetings

XXXXX

xxxxx@gmail.com

CANCEL OK
